

Waterford City and County Council

Strategic Policy Committee Scheme 2014 – 2018

Waterford City and County Council will operate 5 Strategic Policy Committees (SPC), each served by the relevant Director of Service. The Chairs of the SPCs have been selected by the Council at the AGM. The SPCs are sub-committees of Waterford City and County Council and must abide by the Standing Orders and rules of procedure of the Council.

The quorum for a meeting is one-fourth of the total number of members of the SPC plus one or, where one-fourth of such total number is not a whole number; the quorum is the next highest whole number plus one. Of this number there should be 3 elected members present. If the Chair is unable to attend his/her place shall be taken by another elected member of the SPC.

Following consultation with the City and County Community Fora (forerunner of the Public Participation Network) and National Pillars, and taking on board the stated preferences of the elected members, (in so far as is possible), the following format for the SPCs was approved by the members of Waterford City and County Council at the September 2014 Meeting and as amended by Council at meeting of Waterford City and County Council on 11th June 2015.

Each Strategic Policy Committee shall meet as often as required, and at least four times a year, to deal with the business assigned to it. Five days clear notice will be given for meetings of the SPC and where possible there will be an agreed schedule for meetings.

The Community and Voluntary, Social Inclusion and Environmental representatives will be nominated by the Waterford Public Participation Network, subject to the endorsement of the environment reps by the National Environmental Pillar. Sectoral groups are to be requested to submit nominations within 4 weeks.

Where an SPC member misses 3 consecutive meetings the nominating body will be requested to nominate a replacement. A warning will be issued by the relevant Director following a member not attending 2 consecutive meetings without reason.

The dates, times and locations of the SPC meetings are matters for each individual SPC to determine. The Plenary Mayor is an ex-officio member of each of the SPCs and may attend any such meeting at his/her discretion.

Training will be provided for SPC members.
