

**INDUSTRIAL DEVELOPMENT**

Please note that this form must be completed in respect of proposed industrial development and must be accompanied by a completed Planning Application Form.

1. Raw Materials to be used in the process. Give daily or weekly throughput for each material.

	<b>Material</b>	<b>Amount Daily/Weekly</b>
(a)		
(b)		
(c)		
(d)		
(e)		

Raw Materials storage on site.

	<b>Material</b>	<b>Amount</b>	<b>Covered/Open air storage</b>
(a)			
(b)			
(c)			
(d)			
(e)			

Is the process a continuous or batch one? \_\_\_\_\_

Is shift work envisaged? \_\_\_\_\_

Main Items of plant to be used in the process

(a)	
(b)	
(c)	
(d)	

By-products & Waste Products

(i) Solid

Material	Amount	Method of Storage

(ii) Liquid

(iii) Gas or Vapour

(iv) Dust

Disposal of By-Products or Waste

<b>Material</b>	<b>Method of Disposal</b>	<b>Location</b>	<b>Frequency</b>

2. Anticipated noise levels on D.B.A. Scale

(a) Within the buildings \_\_\_\_\_

(b) At the perimeter of the site \_\_\_\_\_

3. Categories of Employment:

	<b>Management/Administration</b>	<b>Skilled</b>	<b>Unskilled</b>
<b>No.</b>			
<b>Male</b>			
<b>Female</b>			

4. Nature and Colour of materials to be used in buildings

(a) Roof	(a)
(b) Walls	(b)
(c) Floor	(c)

5. Floor area of building:

(a) Raw Materials storage	(a)
(b) Manufacturing	(b)
(c) Waste	(c)
(d) Product Storage	(d)
(e) Other	(e)

6. Area of Site: \_\_\_\_\_

7. Process Water Usage:

<b>Amount</b>	<b>Source</b>	<b>Quality</b>

8.

	<b>Amount</b>	<b>Source</b>	<b>Quality</b>
Domestic			
Water			
Usage			

9. Sanitation

(a) Connection to public sewer (a) \_\_\_\_\_

(b) Septic Tank/Treatment Works (b) \_\_\_\_\_

10. Does the process involve the use or production of any toxic substance as defined in the Dangerous Substances Acts and related orders, or in the Dangerous Substances Acts and related orders, or in the Annex to E.E.C., Directive 76/464/E.E.C., of 4/5/1976? If so, give details:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

11. Does the process involve the use or production of any chemicals listed in the current International Register of Potentially Toxic Chemicals? If so, give details:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

12. I am aware that the building/alteration/extension must be designed and constructed in accordance with the Building Regulations made under the Building Control Act, 1990, and that I or someone acting on my behalf must give notice of commencement of work on the pouring of any foundations or of covering up of any drainage system to the Building Control Authority, such notice being not less than 7 days prior to commencement of work.

**I HEREBY CERTIFY THAT THE PARTICULARS GIVEN ABOVE ARE CORRECT.**

**Signature of Applicant:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**N.B. (Please Note that this Application Form must be signed by the Applicant)**

**OR**

**( A letter signed by the applicant's Authorising Agent to sign on his/her behalf to be submitted with Application Form)**
