Re: Implementation of a 5 Axle Ban for Dungarvan Town from 1st September, 2018

Following advertisement and consultation with the Gardai and other relevant interest groups the Council will implement a 5 Axle Ban from Dungarvan Town from Saturday 1st September, 2018.

Relevant signage to prohibit heavy goods vehicles with 5 or more axles from entering the Town centre will be displayed at all approaches to the Town. The attached map shows the proposed extent of the cordon and alternative routes for vehicles.
