

Comhairle Cathrach & Contae Phort Láirge
Waterford City & County Council

SECTION 38 ROAD TRAFFIC ACT 1994 TRAFFIC CALMING SCHEME NEW PEDESTRIAN CROSSING AT BARRACK STREET, WATERFORD CITY

Waterford City and County Council proposes to undertake the construction of a pedestrian crossing and related traffic calming measures on Barrack Street. The proposed location is adjacent to the junction with Mount Sion Avenue, in the area in front of the SPAR shop and Doyle's Bar, Barrack Street. The proposed works include the construction of build outs on the two corners of Mount Sion Avenue, a new build-out in front of the shop and the Pub, and a pedestrian refuge area. As a part of these works road markings will be altered to provide for the tapers for the new refuge island. The implementation of the traffic calming scheme with the Pedestrian Crossing will create a safe environment for all road users with a strong emphasis on non-motorized road users. The main goal is to reduce vehicular speed and improve the facilities for vulnerable road users.

Drawings are available for inspection on the Council's website www.waterfordcouncil.ie and during normal office hours from **Wednesday 8th January to Tuesday 4th February 2020** at the Council's Customer Services Departments in the Civic Offices, Dungarvan and Bailey's New Street, Waterford.

The Council will consider any submissions or observations made in writing regarding the proposal. Submissions should be lodged with Aideen Jacob, Administrative Officer, Roads Department, Waterford City & County Council, Menapia Building, The Mall, Waterford or by email to ajacob@waterfordcouncil.ie to be received before **4.00pm on Tuesday 18th February, 2020**.
