Killaree Lighting Services Ltd. becomes new public lighting maintenance contractor for Waterford

As and from 1st July 2017, Killaree Lighting Services Ltd. will maintain the public lighting in the City and County of Waterford on behalf of Waterford City and County Council. Killaree Lighting Services won the contract previously held by Airtricity.

To report public lighting outages and/or faults please contact Killaree Lighting Systems at 056-7767410 or 056-7767385, or by email to klightings@gmail.com or fill in the fault form on their website.

What you need to include

Please include as much of the following information when reporting a fault:

- The town or village and street name
- The number on the pole
- The location of the light (for example, outside house number 3)
- Your name and contact number
