2018 Mayor's Ball – A Massive Success

Held in the Tower Hotel on Saturday 21st April, the 2018 annual Mayor's Ball was again a huge success with almost €36,000 raised for local charities.

With almost 300 people in attendance at Saturday's glamorous event, the representatives of Assisi House, WASSA and Sesame Early Intervention Service have expressed their gratitude to Cllr. Pat Nugent, Mayor of the City and County of Waterford for the much needed boost to their organisations.

Cllr. Pat Nugent remarked "The generosity of more than 250 local businesses to the Mayor's Ball has again been phenomenal, and I am delighted to be involved with the great success that was enjoyed at the 2018 Mayors' Gala Ball. Waterford people are kind and giving, and always on hand to help out a worthy cause".

Many thanks are due to the organising committee chaired by Cllr. Cha O'Neill and particular thanks are due to Regina Mangan of Liberty Blue and Mandy Nolan Reade of Waterford City and County Council.

The main sponsors of the event for 2018 were Nypro, Nearform and Neville Hotels while the drinks reception was sponsored by the Heineken group with water supplied by the Queally group. All of the printed material was sponsored by Stephen Walshe.

Cllr. Seán Reinhardt, Mayor of the Metropolitan District of Waterford, said "Many thanks are due to the sponsors, the organising committee and ultimately the 300 people who attended Saturday's event. The Mayor's Gala Ball is an institution on the Waterford event calendar".
