

WATERFORD CITY AND COUNTY COUNCIL
MONTHLY COUNCIL MEETING 10TH OCTOBER, 2019

NOTICE OF QUESTIONS FOR NOTING ONLY

1. Question in the name of Cllr. Declan Clune

Director of Services - Environment

It seems that more and more notices are appearing around County Waterford at locations where Japanese Knot Weed has been identified. This is positive as the more locations that are identified, the better chance we have of treating it. Can I ask how many locations we are now treating (broken down by LEA) and how effective is the treatment? We did cover this at some length at the previous Councils' Environment SPC but can I have an update and an opinion as to whether we are being successful in our efforts to control/eradicate the Knot Weed.

Reg. No. 1 (dated, 24th September, 2019)
