12.	<p><u>Item Raised/Other Works</u></p> <ul style="list-style-type: none"> • Road lining ongoing throughout the District. • Any reports of surface water build up in area have been cleared. • Footpath works – West Street Tallow are completed. • Davitts Quay –Cobble lock repairs completed. • Litter and Dog fouling should be disposed of correctly and we would encourage community groups and public to be involved throughout Towns and Villages. • Spraying is limited in the District and only undertaken where necessary for major weed control. Any communities or groups wishing to assist with weed control would be greatly appreciated. This would reduce spraying. • Hedgecutting is now permitted from September to February. Landowners should continue to check their boundary hedges and trees in front of public roads that may cause road safety issue. Overhanging branches can become a hazard and hedges can cause visibility constraints. Storm events are more frequent. Works to boundary hedges and trees should be completed during permitted season. Section 70 Notices being issues to non compliant landowners.
