Minor repairs in the interim. • CCTV and survey underway at Scanlon Yard car park following surface water build up. The investigation will determine the works required. • Litter and Dog fouling should be disposed of correctly and we would encourage community groups and public to be involved throughout Towns and Villages. • Spraying is limited in the District and only undertaken where necessary for major weed control. Any communities or groups wishing to assist with weed control would be greatly appreciated. This would reduce spraying. • Hedgecutting is now permitted from September to February. Landowners should continue to check their boundary hedges and trees in front of public roads that may cause road safety issue. Overhanging branches can become a hazard and hedges can cause visibility constraints. Storm and weather events are more frequent. Works to boundary hedges and trees should be completed during permitted season. Section 70 Notices being issues to non-compliant landowners. • N25 Pike Hill, surfacing works underway. • N72 kilcloher, side cleaning and patch repairs completed. • N72 Carrigeen, side cleaning completed. • Reviewing bins to prevent birds removing rubbish.
