Dear Honor,

I refer to your correspondence dated 3rd March 2023 regarding a motion that was adopted by Councillors at the February meeting of the Metropolitan District of Waterford related to the expansion of bus services.

The Waterford Bus Network redesign will commence later in 2023. This will assess the radial and orbital bus network in the city and environs. The network redesign will include a public consultation process as part of its work. Members of the public and elected representatives are encouraged to make submissions when the public consultation process commences.

A more precise date for when the public consultation will take place will be announced closer to the time.

We trust that the above information clarifies the position.

Yours sincerely,

Ann Graham,
Chief Executive.
