

**Report to Comeragh Municipal District Meeting**  
**Proposed Section 85 Agreement with Tipperary County Council**  
**June 2022**

Tipperary County Council has been allocated funding by Transport Infrastructure Ireland through its Greenway Scheme for the provision of a feasibility study on the development of a recreational trail connecting the Waterford Greenway and Suir Blueway Tipperary. For this purpose, it is necessary for Tipperary County Council to put in place a Section 85 Agreement with Waterford City & County Council. This agreement will allow Tipperary County Council and their appointed Consultants to complete the Feasibility Study in the functional area of Waterford City & County Council.

This cost of the Feasibility Study is 100% funded by Transport Infrastructure Ireland with no cost occurring to Waterford City & County Council. I recommend that Waterford City & County Council proceeds with this Section 85 Agreement.

Signed:

**Michael Quinn**

**Director of Services**

**Economic Development**
