WATERFORD CITY AND COUNTY COUNCIL

Item
No.

METROPOLITAN DISTRICT

MONTHLY COUNCIL MEETING 23rd JANUARY 2023

MOTION

1. Motion in the name of Cllr. Cristiona Kiely

“That this council will develop a gritting and salting programme for footpaths and cycle lanes on high pedestrian and cyclist traffic arteries to enable the continuous free and safe movement of all users. This programme should reflect the hierarchy of street users, our public sector duty on equality and human rights and the priority now being given to walking and cycling in Waterford through the adoption of the Waterford Metropolitan Area Transport Strategy (WMATS). This policy should include a list of priority locations for gritted footpaths - e.g. schools, health centres, public transport hubs and other well used routes into the city. This measure should be included in the regular winter maintenance programme and to that end, Waterford City & County Council will seek Active Travel funding from the NTA and Dept of Transport for such, mirroring the funding for roads from TII”.

Reg. No. MJ/2023/64 (dated, 19th December, 2022)

2. Motion in the name of Cllr. Seamus Ryan

“That Waterford Metropolitan Council calls on the National Transport Authority and/or Transport for Ireland to expand City bus services to include Carriganard, Kilbarry and Foxwood and to also run a bus service from Paddy Brown’s Road to UHW”
