At the December meeting of Monaghan County Council the members passed the following resolution and I was directed to forward same to you for attention.

*That this Council calls on the Minister for Health, Department of Health and the HSE to put in place proper, sensitive procedures to avoid any future retention of a baby's organs, at post-mortem, without the express permission of the parent, to request that:*

- *Clear, written communication on consent forms be discussed with families at the time of death/prior to post-mortem taking place*
- *Best practice models be examined from other countries to ensure the Irish system is fit-for-purpose & with proper oversight*
- *Communication of post-mortem results be respectful and delivered by meeting with assigned medical professional – clear definition of this process should immediately become standard procedure for all hospitals*
- *Post-mortem documentation should include a clear, concise and fully completed document for families*
- *In cases where organs need to be retained; reasons must be clearly explained and a swift timeframe for their return must be communicated to parents.*

*Monaghan County Council demand that an investigation take place into the cases outlined by Primetime (RTE) on 3<sup>rd</sup> November 2022 and any other similar case that were not highlighted and that:*

- *Families who have had organs from their baby retained, be informed of what was taken and why, and what happened to the organs. These families should be afforded an in-person meeting to be given details.*
- *An independent inquiry takes place to determine why Consultant A was continuously used as a private pathologist after being found to be negligent in his former public-sector pathology role. This inquiry should also find reason as to why earlier recommendations, made by independent reviews, were not implemented.*
- *Clarification is needed on whether Consultant A is still conducting perinatal post-mortems.*

A Chara,

At the January Meeting of Tipperary County Council the Members considered the following Notice of Motion and resolved that it should be forwarded to All Local Authorities for their consideration: -

**"I am looking for support from Tipperary County Council to strengthen the control of Dogs Act Legislation in Ireland. A complete reform of dog owner's responsibilities must take place immediately for public and animal safety. An immediate review of the Dangerous Dogs Act must also take place banning ownership of these dogs in the State. A proper public indemnity insurance requirement must also be enshrined in new legislation for all dog owners. I am asking this Local Authority to write to the Minister for Agriculture, Minister for Rural and Community Development and Minister for Housing on this issue".**

I would be obliged if you could bring this to your members attention for their consideration.

Mise, le meas
