Dear Meetings Administrator

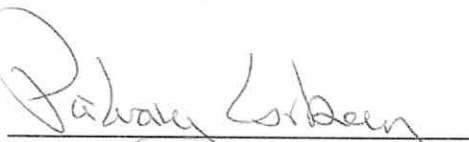

At a recent meeting of the Members of the Municipal District of Killarney, the following resolution was adopted by the Members:

"That we Killarney MD would put up notices at uncontrolled crossings, informing the public that they do not have the right to just walk across, as this is at the discretion of the driver and cyclists to stop."

During a discussion on the matter, the Members requested that a letter issue to the Road Safety Authority requesting that the "Safe Cross Code" would once again be aired on television and radio in an effort to educate pedestrians of their responsibilities when using the roads. The Members asked that each Local Authority would do the same.

Please consider this request and let me have your response at your convenience. Your reply may be emailed to padraig.corkery@kerrycoco.ie.

Yours sincerely
