CLEANING UP AFTER YOUR DOG IN A PUBLIC PLACE IS A LEGAL REQUIREMENT.

FAILURE TO DO SO CAN LEAD TO A FINE OF €150.

- Your dog must always be under effectual control when outside of your home.
- This means that you have complete control over your dog's movements; your dog must always be in your company and in your immediate sight.
- Certain listed breeds that are considered potentially more dangerous must be muzzled when in a public place and be led by means of a sufficiently strong chain or leash, not exceeding two meters in length, by a person over the age of 16 years who is capable of controlling the dog.
- You must have a licence for your dog and your dog must be legally microchipped by a registered Vet.

Contact your Local Authority for more information.
