

AN BHFUIL LEISCE ORT É A CHUR SA BHOSCA BRUSCAIR?

An raibh a fhios agat gurb ortsa atá an fhreagracht glanadh suas tar éis do mhadra?

Is fadhb dúinn go léir é mura gcuireann tú i mála agus sa bhosca bruscair é.

Bíonn tionchar aige ar gach éinne sa phobal, ár gcairde agus ár gcomharsana.

Is furasta an réiteach é, **cuir i mála agus sa bhosca bruscair é.**

Glan suas tar éis do mhadra agus cuir in aon bhosca bruscair é, bíodh an bosca ar an tsráid nó sa bhaile.

Mura gcuireann tú **i mála agus sa bhosca bruscair é**, is féidir fíneáil €150 a ghearradh ort.

TOO LAZY TO BIN IT?

Did you know that it's **YOUR** responsibility to pick up after your dog?

When you don't, it becomes everyone else's problem.

It impacts everyone in our community—our friends, our neighbours.

The solution is simple: **you just have to bag it and bin it.**

Pick up after your dog and put it in any bin, whether it's a litter bin or your bin at home.

When you choose not to **bag it and bin it** you can be fined €150.
