b. Final approval of SICAP 2020 Annual Plan

Richard Grant, Waterford Area Partnership gave a presentation updating the members on the issues highlighted by the LGAS audit. The main issues identified as follows:

- The 2018 AFS remains unsigned by the WAP auditor
- All frontline staff are now 100% SICAP focused
- CEO time is currently split with 75% being allocated to SICAP
- The 2020 Annual Plan has been uploaded to IRIS
- Significant progress has been made in procedure development and document control
- T & S now fully compliant with DPER guidelines
- Request made for an additional 14 days to rectify remaining issues and in particular the AFS

Mr. Grant left the meeting to enable the LCDC to discuss items 8a. and 8b.

Discussion took place among the members with particular regard to the 14 day extension requested by R. Grant.

I. Grimes requested authority from the LCDC to give the LCDC SICAP subcommittee, in conjunction with the WCCC Executive, power to terminate the agreement with WAP or to make the March SICAP payment, dependent on the 2018 AFS being submitted to the LCDC SICAP subcommittee.

After discussion, the LCDC decided unanimously to give WAP an additional 14 days to resolve outstanding LGAS audit issues and to delegate power to LCDC SICAP subcommittee, in conjunction with the WCCC Executive, to either terminate the contract or make the March SICAP payment. Given the tight timescale and the uncertainty over future meetings arising from the Corona virus, approval was also given to the LCDC subcommittee to approve the 2019 End of Year Report and the 2020 Annual Plan and monthly SICAP payments, up to the date of the next LCDC meeting.

R. Walsh did not participate in the decision making process with respect to Public/Non Public member balance.

R. Grant returned to the meeting.
