Forward Planning

Waterford City & County Development Plan 2022 - 2028

The process and broad timeline to prepare the new unitary Waterford City and County Development Plan is set out hereunder and will commence the week beginning 20th July. The initial phase of this process will consist of an 8 week period during which written public submissions or observations can be made through an online consultation portal <http://www.consult.waterfordcouncil.ie> or in writing to the Senior Planner, Planning Department, Waterford City and County Council. All written submissions should relate solely to the proper planning and sustainable development of the area; however, requests or proposals for the zoning of particular land for any purpose cannot be considered at this Pre-Draft Stage. The written submissions received during the public consultation period will form the basis of the report by the Chief Executive to the Plenary Council on which further dialogue with the Council will inform the draft development plan in due course.

It should be noted that submissions received by the Planning Authority will be published on the consultation portal within 10 working days of receipt, along with the name of the person making the submission in accordance with the Planning & Development (Amendment) Act 2018. Contact details however will not be published and people will be requested not to include personal, confidential or other sensitive information in submissions.

In the current period of restrictions on public movement and interaction brought about by Covid 19, it is not feasible to safely engage with the public in the traditional sense. To overcome these restrictions the following actions are being planned:

- The online consultation portal and council website will be augmented with content to provide detailed information about the development plan process, principle elements of the development plan, the strategic issue paper and its Irish translation and a schedule of frequently asked questions which will assist in fully informing the public about principle element of the development plan and its process.
- To further engage with the public it is intended to hold virtual town hall type meeting through online platforms which will be fully advertised through the local print media, the council website and the <http://www.consult.waterfordcouncil.ie> consultation portal. These will be held regularly during the consultation period and will consist of presentations followed by question and answer sessions.
- Where it is not possible for individual members of the public to access the development plan process online, the planning authority will host one to one meeting with members of the public. All such meetings will be by appointment only and full details of how to arrange these meetings will be published in due course. It is intended that such meeting will adhere to strict Covid 19 procedures in terms of health and safety and will be held in the offices of the planning authority in both Waterford City and Dungarvan.
