Update on preparation of the draft Waterford City and County Development Plan 2022-2028.

The draft development plan has been presented to the Plenary Council in April as per the timetable outlined in the table below.

This is being followed by a series of discussions and workshops with the Plenary Council throughout the months of April, May and early June to allow full consideration of the draft development plan and associated documents. A 10 week phase of public consultation will then take place from late June to late August during which time written submissions will be invited from members of the public and other interested parties. It should be noted that written submissions regarding the zoning of land for particular purposes should only be made during this 10 week period.

In a manner similar to the initial phase of public consultation last summer, it is intended to have a dedicated online consultation portal available through which the draft development plan and support documentation can be accessed and through which written submissions can be made.
