A New Heritage Plan For Waterford- Have Your Say

Waterford Draft Heritage Plan 2017-2021 Public Consultation

The Waterford City and County Heritage Forum has prepared a Draft Heritage Plan 2017-2021 and is looking for your views. The Draft Plan is available for review at Menapia Building and Customer Care Offices, Waterford, Civic Offices, Dungarvan , all libraries and on www.waterfordcouncil.ie

Waterford City & County Council would like to know what you think should be included in the new Heritage Plan which aims to build on the achievements of the previous plans, while taking into account local, regional and national heritage initiatives and policy development since its publication. Examples include the Adopt a Monument Scheme, Ireland's Ancient East, the National Landscape Strategy, All-Ireland Pollinator Plan and Culture 2025.

The Heritage Plan is a strategic document, dealing with heritage issues in Waterford City and County and will include broad objectives and identify specific actions to achieve those objectives. It will not generally include site specific projects.
