

TRAFFIC MANAGEMENT PROPOSED ONE-WAY SYSTEM – CROSSBRIDGE STREET, DUNGARVAN

A one-way system is proposed along Crossbridge Street, Dungarvan as set out in the attached drawing. This proposal would see Crossbridge Street becoming one way from its junction with Bridge Street to its junction with Grattan Square.

The proposal would improve traffic flow while also addressing traffic safety concerns in the area and make the road safer for all road users and in particular would facilitate the widening of the existing footpath for pedestrians.
