

HOW CAN WE MAKE WATERFORD CITY AND COUNTY A SAFER PLACE FOR ALL?

Have YOUR say on community safety... Pilot Community Safety Initiative coming to you!

Waterford City and County Council and the Department of Justice are launching a new pilot **Local Community Safety Partnership** in Waterford to bring together everyone with a role to play in creating safer communities.

What is Community Safety?

Community safety is about people being and feeling safe in their communities. From street lighting and safe play areas for children, to visible Gardaí and access to services many things are needed to make a community feel safe.

We think **you** can play an important role in this initiative. We need your help to identify priorities and to devise and implement solutions to ensure that people's concerns around safety in the area are heard.

The people who live and work in communities are vital to building community safety. Community safety needs a multi-agency approach, where services work together with you to deliver on the needs of individual communities.

CONAS IS FÉIDIR LINN A CHINNTIÚ GO MBEIDH CATHAIR AGUS CONTAE PHORT LÁIRGE NÍOS SÁBHÁILTE DO CHÁCH?

Bíodh cead cainte AGATSA ar shábháilteacht phobail... Tionscnamh Sábháilteachta Pobail Píolótach ag teacht chugatsa!

Tá tionscnamh nua píolótach, Comhpháirtíocht Áitiúil do Shábháilteacht Phobail, á seoladh i bPort Láirge ag Comhairle Cathrach & Contae Phort Láirge agus ag an Roinn Dí agus Cirt chun gach duine a bhfuil ról acu i gcruthú phobail níos sábháilte a thabhairt le chéile.

Cad is Sábháilteacht Phobail ann?

Séard is brí le Sábháilteacht Phobail ná daoine a bheith ar a suaimhneas agus ag braistint sábháilte ina bpobal. Tá go leor rudaí ag teastáil chun go mbraithfidh pobal sábháilte; ó soilsiú sráide agus áiteanna súgartha sábháilte do pháistí, go dtí Gardaí atá le feiceáil agus a bheith ábalta teacht ar sheirbhísí.

Is dóigh linn gur féidir leatsa ról tábhachtach a ghlacadh sa tionscadal seo. Tá do chabhair ag teastáil chun tosaíochtaí a aithint agus chun teacht suas le réitigh agus iad a chur i bhfeidhm chun a chinntiú go gcloisfear pé inní atá ar dhaoine maidir le sábháilteacht sa cheantar.

Tá na daoine a chónaíonn agus a n-oibríonn i bpobail ríthábhachtach chun sábháilteacht phobail a chruthú. Tá cur chuige ilghníomhaireachtaí ag teastáil do shábháilteacht phobail, áit a n-oibríonn seirbhísí in éineacht leatsa chun freastal ar riachtanais phobail shainiúla.
