

PROPOSED ONE-WAY SYSTEM – HENNESSY’S ROAD, WATERFORD

The Council is considering a one-way system along a section of Hennessy’s road, as set out in the drawing below. This proposal would see Hennessy’s road, becoming one way from its junction with College street to its junction with Blakes lane.

This proposal would improve traffic flow and provide space for a wider footpath and cycle lane while also addressing traffic safety concerns in the area, especially at the junction with Blake’s lane.

Submissions may be made in writing to Aideen Jacob, Administrative Officer, Roads Department, Waterford City and County Council, City Hall, The Mall, Waterford or by email to ajacob@waterfordcouncil.ie by **3rd May, 2021**.

Fergus Galvin,
Director of Services,
Roads, Water and Environment.
