

## THIRD PARTY POLITICAL DONATIONS

The provisions of the Local Elections [Disclosure of Donations and Expenditure] Act 1999 as amended in relation to third parties are designed to bring such person or persons within the political donation regime in operation at local government level.

A third party that receives a monetary donation in excess of €100 is required to register with their local authority, to open a political donations account and to submit a financial statement with a certificate and statutory declaration to their local authority not later than March 31st in each year.

A “third party” is defined in the legislation as any person, other than a political party registered in the Register of Political Parties under Part III of the Electoral Act 1992 or a candidate at an election, who accepts, in a particular year, a donation the value of which exceeds €100.
