

# RE: SECTION 38 ROAD TRAFFIC ACT 1994 – TRAFFIC CALMING SCHEME

## ACTIVE TRAVEL SCHEME

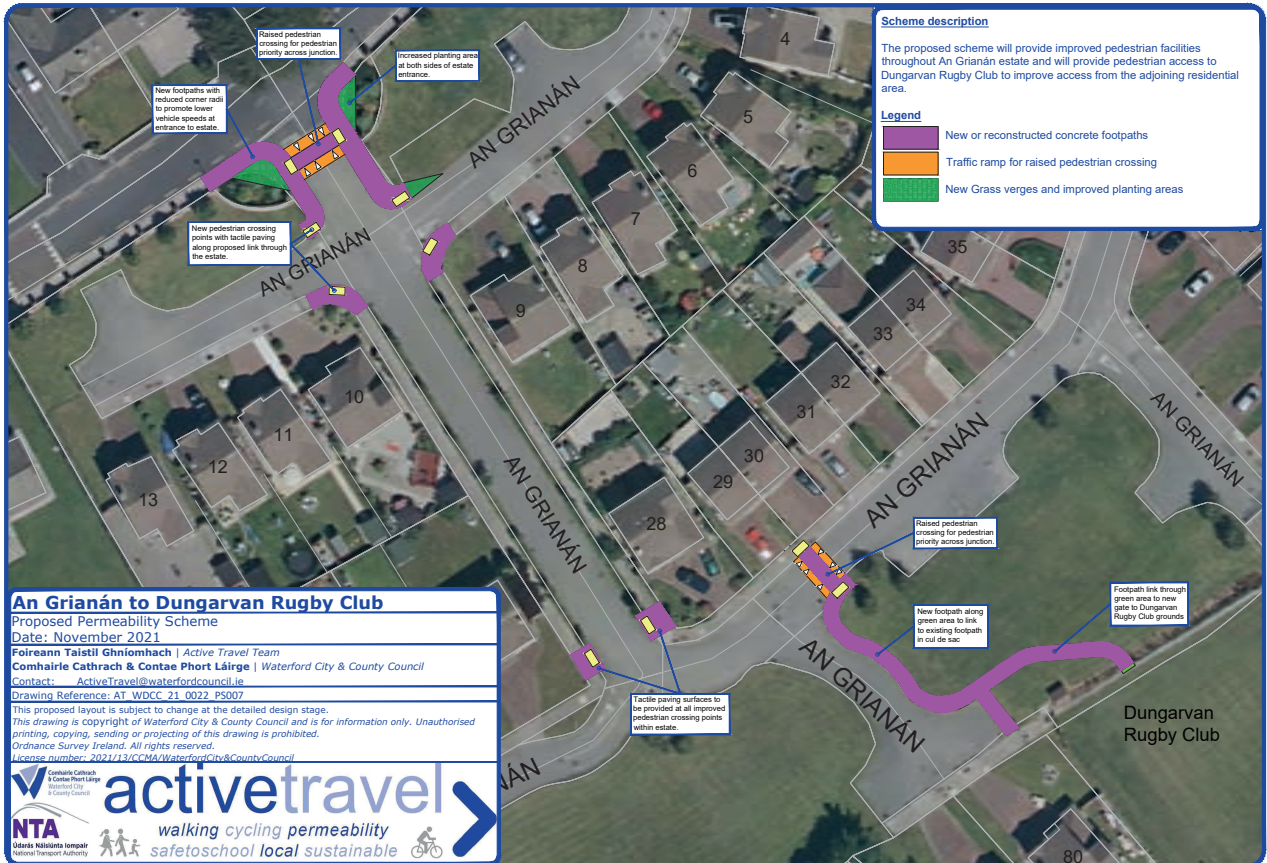

### AN GRIANÁN, DUNGARVAN – FOOTPATH AND CROSSING POINT UPGRADES

Waterford City & County Council proposes to undertake footpath and pedestrian crossing point upgrades and installation of new pedestrian crossings points at An Grianán, Dungarvan. Works will involve the construction of two raised pedestrian crossing points, new footpaths, improved crossing points, minor planting and connecting footpath to Dungarvan Rugby Club pedestrian entrance.

As part of the Active Travel works in the area, the objective is to improve walking routes, improve connections to existing footpaths, create safer crossing points as set out on the attached drawing and help decrease car use for local journeys as part of our actions to reduce transport related carbon emissions.

The drawing is available for inspection on Waterford City and County Council's website [www.waterfordcouncil.ie](http://www.waterfordcouncil.ie) and is also on display in our Customer Services Departments in Bailey's New Street in the City and Davitts Quay, Dungarvan from **Tuesday 10th May 2022 to Wednesday 08th June, 2022.**

The Council will consider any submissions or observations made in writing regarding the proposal. Submissions should be lodged with Ian Ludlow, Staff Officer, Active Travel Team, Waterford City & County Council, Menapia Building, The Mall, Waterford or by email to [iludlow@waterfordcouncil.ie](mailto:iludlow@waterfordcouncil.ie) to be received by **Monday 20th June 2022.**

Fergus Galvin,  
Director of Services, Roads, Water and Environment.

10th May 2022.
