Waterford Wins Top Awards in 2015 IPB /Co-operation Ireland Pride of Place Awards

Waterford City and County Council congratulate the Waterford groups that took two of the top prizes in the annual IPB Co-operation Ireland “Pride of Place Awards”, which were announced Saturday night (14th November) at a glittering gala event in Ennis, Co. Clare. More than 800 people from across the island filled the venue to hear the winners announced by RTE’s Ciana Campbell.

Tramore took a runners-up place in the ‘Cities Competition’ in the category for ‘Neighbourhoods with populations over 2,000 people’.

Dungarvan & Helvick Head RNLI Fundraising Branch also took the runners-up prize in the ‘Islands & Coastal Communities’ category of the main competition.

Mayor of Waterford City and County, Cllr John Cummins said:

“I am delighted to see the hard work shown by these community groups and volunteers in Waterford, achieving the National recognition they truly deserve. It is clear that working together and getting things done increases peoples’ pride in where they live and in turn helps build vibrant communities. Waterford City and County Council will continue to work with local community organisations for the development of the best possible Waterford. I would like to congratulate all those involved and wish them every continued success in the future.”

The ‘Pride of Place Awards’ recognise and celebrate the achievements of people who work tirelessly to create pride in their local area. Forty-three groups, ranging from those in small

rural communities to groups in inner-city housing estates, took winning or runners-up positions in the main and cities competitions. A further six groups received 'Special Awards', while one local authority received a special 'Council Award'.

ENDS

Notes to Editors

IPB Pride of Place scheme, (see [www. http://prideofplace.ie/](http://prideofplace.ie/)) which was first piloted in the summer of 2003 and came from the Local Authority All-Island Steering Forum, aims to recognise and celebrate the vital contributions that communities make to society.

The associated 'Pride of Place Competition' is unique as it specifically recognises the involvement of the local community in all aspects of rural and urban regeneration, including promoting social cohesion, heritage and environmental awareness.

The competition is run by 'Co-operation Ireland' in conjunction with the Pride of Place Steering Committee and is sponsored by IPB.
