Dungarvan Town Centre Improvement Scheme 2017

Waterford City & County Council are pleased to announce that applications are now being accepted for the Dungarvan Town Centre Improvement Scheme 2017. The Scheme is funded by Waterford City & County Council and is an element of the Dungarvan Town Centre Management Groups presentation strategy.

The scheme is an initiative which aims to financially assist and support independent business owners to improve the appearance of their shop fronts/commercial properties. This funding is being provided in recognition of the fact that a building's facade makes a big impact on our town centres.

Proposals for funding do not have to involve a significant or expensive change. Simple jobs like repainting a shop front or seasonal window dressing may qualify. Each application will be assessed on its own merits and any job that will enhance the town's character may qualify for grant aid. Terms and conditions of the scheme are outlined on the application form.

The Scheme is applicable to Dungarvan Town Centre; as defined in the Development Plan 2012-2018, the grant will be applicable to properties within the defined town centre.

The Grant will cover 50% of the costs capped at a maximum contribution by the Council of €600.00.
