General Notes:
 Work to figured dimensions - do not scale print. All setting-out dimensions to be checked and confirmed on site prior to commencement of work. Any inaccuracies should be brought to the attention of the architect. If in doubt - ask.
 All construction methods, materials, services and installations to be in accordance with all local building regulations and codes of practice at the time of construction. All sub-contractors are ultimately responsible for ensuring compliance with the regulations within their own trade.
 This drawing is copyright to dnbArchitects.

-Contractor must produce shop drawings and have them approved by the relevant consultants, prior to commencement of construction.
 -Levels and heights to be verified with architect drawings prior to commencement of construction.
 -All dimensions are in millimeters.
