

RE: SECTION 38 ROAD TRAFFIC ACT 1994 – TRAFFIC CALMING SCHEME TRAFFIC CALMING ALONG THE L4209, KILLEA ROAD, DUNMORE EAST.

Waterford City and County Council proposes to undertake the construction of a traffic calming scheme in the form of a Pedestrian crossing with a raised table area to facilitate a safe crossing point along the L4209 at the junction of The Fairways and Lighthouse Way. The scheme includes the narrowing of the junction into The Fairways to allow for easier pedestrian crossing and the construction of a new footpath to this controlled crossing point.

The implementation of the traffic calming scheme will create a safe environment for all road users with a strong emphasis on non-motorized road users including pedestrian access to the primary school and the church.
